

Become An International Digital Visual Arts Academy Representative!

International Digital Visual Arts Academy (iDVA) is looking for U.S. and international companies and individuals who want to send students to the iDVA Academy in Sarasota, Florida, so they may further their art education, Sports career. iDVA academy offers a residential academy in Sarasota, Florida, for 6th thru 12th grade and the post graduate year - focused on individual world class programs for the arts, Digital photography, Video Production, Animation and Gaming. These individual programs are designed to enhance each student's skills to not only be competitive within their art but to also better equip them to reach their full academic potential.

Part of the SIASA Academies Prep Academy:

Our fully accredited College Preparatory Academy provides a full-time, residential athletic training program for student athletes. The Academy is a coed, boarding and day school for middle school thru 12th grade and for post graduate students as well. The Academy offers flexible prep school courses, allowing student athletes and artist to train and compete at the highest levels so as to ultimately prepare for the ideal collegiate academic/athletic/artist opportunity. The Preparatory Academy completes the I-20 form to allow international students to receive an F1 Student Visa to attend.

SIASA Academies Arts & Sports Programs:

Individual academy training with the most advanced training methods and instruction available. SIASA Academies offers sports programs in Golf, Soccer, Beach Volleyball, Indoor Volleyball, Baseball, Softball, Bowling, Archery, Basketball, Sailing and Equestrian. While SIASA Arts programs, provide internationally acclaimed instruction in Music, Dance, Voice, Acting, Art, Gaming, Visual Arts, Ballet, Photography & Painting. With new programs in Archery, Sailing and Rowing beginning in the fall of 2014.

Post Graduate Programs.

Colleges fully recognize the value of students enrolling after a Post Grad experience. With a growing demand and need for such a specialized offering. Many graduating seniors today are not ready technically and/or competitively to excel at their desired level of college arts. Likewise, some student artists are searching for a year where they can live independently and better prepare for the rigors of college life. And there may be academic reasons why taking an extra year between high school and college is the best course of action (i.e., SAT/ACT issues, ESL or TOEFL issues, GPA problems, the chance to take college credits in advance, etc.).

iDVA Academy Camp Program:

iDVA academy offers coed, summer boarding and day camps for the novice to elite level. All iDVA camps parallel the boarding Academy program, and focus on technical, artist, applied practices aspects of the art for the optimal performance edge. These camps bring college scouts from around the country to see the top talent for future enrollment.

If you know someone who would benefit from the iDVA Academy Training experience, we want to hear from you. Please contact Steve Stennes for additional details on how you can work with iDVA Academy to help others reach their full potential while you receive a healthy commission.

All applicants are requested to complete a profile questionnaire. Please contact Steve Stennes for the questionnaire. Completed questionnaires may be returned by email to Info@iDVAacademy.org Applicants will be evaluated and if accepted, will receive a Representative working agreement to become part of the iDVA Academy Representative network. Unique opportunities are also available for Clubs and Teams to be affiliated with iDVA Academy. Please contact Steve Stennes for more detail and request a International Digital Visual Arts Academy agent package.
